 Copyright © Archimara Consulting CC. Copyright subsists in this drawing. The person or entity whose name appears in the title block of this drawing, is hereby granted a non-exclusive license to use, display, print and / or reproduce this drawing to the extent necessary to carry out the project for which this drawing was prepared. This license confers no ownership rights in the copyright vesting in the drawing and this drawing and the copyright subsisting therein will, at all times, remain the property of Archimara Consulting CC. Any unauthorised reproduction, publication, transmission, adaptation and/or inclusion of this drawing in a communication or development based on an address or other information which will render the door of the act liable for civil law copyright infringement and may in certain circumstances render the door liable to criminal prosecution. Requests and enquiries concerning this drawing and the rights subsisting therein should be addressed to the copyright holder.
 3

A building line is an imaginary line over which no permanent development is permitted. Building lines ensure that developments are set back from the street and site boundaries. The space created by Building Lines creates privacy between neighbouring stands and a buffer from the street.

Should anyone wish to build over a building line, the services of a Town Planner will be required to apply to the municipality for Building Line Relaxation.
